

CONSENT TO USE STUDENT INFORMATION IN THE PUBLICATION *DIAL-A-DEMON*

Kitsilano Secondary School holds your child's name and home telephone number(s) and is not permitted to release this information without your consent.

Kitsilano Parent Advisory Council (Kits PAC) would like to publish a student directory, known as the *Dial-A-Demon*, which would list the name and home phone number(s) for each student attending the school. Kits PAC sells the directory to students and their families at cost. Families have come to rely on this document as an extremely useful tool throughout their child's years in high school.

Before the school will release this information to Kits PAC, it must obtain the consent of the student's parent(s) or guardian(s). Either parent/guardian can consent. To document your consent, the school and Kits PAC ask that you sign and return this form to the school.

If your consent is NOT provided, your child's information will not appear in the directory.

*As witnessed by my signature below, I consent to Kitsilano Secondary School providing my child's name and home telephone number(s) for **every one of the 5 years that my child is a student at Kitsilano Secondary School** so that the Kits PAC may prepare and publish a school student directory (*Dial-A-Demon*) containing this information. I understand that the student directory will be available for sale at events throughout the school year at Kitsilano Secondary School. For a future directory, I may withdraw my consent in writing at any time of that school year.*
