

From the PAC Chair

Looking forward to seeing you at the **Kitsilano PAC meeting on Tuesday, October 29th, 2019** at 6:30 pm - 9 pm, at Kitsilano Secondary School in the Open Learning Studio (Room 104/105) across from the main office.

At PAC meetings, we get an update from the principal, a teacher representative and student council, as well as discuss and share key dates, activities and topics that impact our children. An agenda for the upcoming meeting will be forwarded to you couple days before the PAC meeting and posted on [PAC Meetings Agendas](#) and minutes from last PAC meeting on [PAC Minutes](#)

Each year, teachers prepare project outlines that are submitted to the Parent Advisory Council (PAC) for funding. These projects fall outside of the school board's core budget, but are initiatives by teachers to provide students with opportunities to participate in before and after school activities that keep them safe, engaged and learning new skills. PAC requested a \$50 contribution at the beginning of the school year per child, to support these projects. We have now summarized the received donations. On this upcoming PAC meeting, we will review the projects and allocate the donations appropriately.

Every penny counts, and thanks to one of the dedicated parents, everytime you shop at Cobs Bakery on Broadway & MacDonald or 4th & Vine, please say you want to support Kitsilano Secondary and they will donate 5% of your purchase to support our students and teachers. Be sure to tell your friends and neighbours they can also support our school! If you are wondering, how we spent your donations last year, please visit [Donations and Funding](#)

Joining PAC is rewarding; you can impact change, learn what's going on behind the scenes and make great friendships with other families. Make the time to make a difference in the Kitsilano school community...your kids will thank you! Please visit our PAC website to meet this year PAC Executives [Who we are!](#)
