

Career Planning Before Higher Education

9:30AM-9:45AM

Capilano University

Should you pursue post-secondary education? What university or college should you apply to? What program should you apply for? There are many 'shoulds' and 'whats' that you ask yourself as you make decisions to shape your future after you leave high school, but have you given equal attention to 'why'? You don't need to have it all figured out but a good place to start is to explore what career you might want before you dip your toes into the post-secondary lake.

Funding Your Education

10:00AM-10:15AM

Student Aid BC

Student Aid BC is a provincial financial aid program to help British Columbians pay for college and university. They will provide a brief presentation outlining how students can apply, when they should apply, and how much funding they can expect to receive.

Canada's Official Languages FTW
