to learn about options available to your children
for their post-secondary path.

Our evenings of post-secondary information continue!

This year the Kits PAC is pleased to continue our “What’s Next?” series of information evenings on post-secondary education options for parents and students in Grade 10, 11 and 12. We know you have many questions about how post-secondary institutions are adapting their admissions processes to reflect the changes in public education in response to the COVID-19 pandemic, so are working to invite recruiters from a variety of institutions to bring us all up to speed.

Our first presentation is on **Wednesday September 23, 7:00 to 8:00 p.m.** To give us an overview of the subject, this Zoom meeting will be hosted by **EducationPlannerBC**, a one-stop resource for information and applications to the majority of post-secondary institutions in BC. Representatives from EducationPlannerBC will get us started with tips on organizing for the application process, and walk us through their site (<https://www.educationplannerbc.ca/>).
