The first Kitsilano PAC meeting for the 2020/2021 school year will be on September 24. **This will also be our Annual General Meeting and an opportunity for new parents to join the executive committee.**

At PAC meetings, we have a principal, teacher and student council update as well as discuss and share key dates, activities and topics that impact your children. An agenda for the upcoming meeting will be forwarded to you couple days before the PAC meeting. You can find issued newsletters on [our website here](#).

EXECUTIVE OFFICERS FOR ELECTION GRADE 8 AND OTHER NEW PARENTS

At our first PAC meeting in September we will be presenting a slate of new PAC executive officers for election. To prepare for that, I'd like to specifically reach out to grade 8 parents to give you an opportunity to put your name forward for the following positions:

- Chair
- Vice-Chair
- Treasurer
- Secretary
- District PAC Representative

These roles can be shared and there can be an unlimited number of members-at-large, who contribute in numerous voluntary ways such as fundraising, athletics coordination, and event and speaker organization.

The duties of the officers can be found in the [Kitsilano PAC Constitution](#). Joining PAC is extremely rewarding ; you can impact change, learn what's going on behind the scenes and make great friendships with other families. Make the time to make a difference in the Kitsilano school community...your kids will thank you!

DONATIONS TO PAC

Each year, teachers prepare project outlines that are submitted to the Parent Advisory Council (PAC) for funding. These projects fall outside of the school board's core budget but are initiatives by teachers to provide students with opportunities to participate in before and after school activities that keep them safe, engaged and learning new skills.

PAC is requesting a \$50 contribution at the

beginning of the school year per child, to support these projects. Please refer to [this donation form](#) on how to proceed with your contribution.

Invest In Our Children
They Are Our Future!

Our regular public education issues newsletter, with updates about what is happening at DPAC, BCCPAC, the Vancouver School Board and the provincial Ministry of Education, will resume in October.

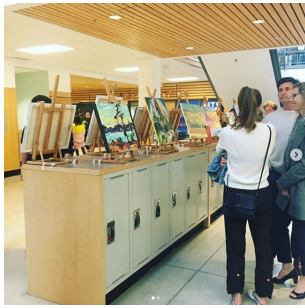

For now, please review

<http://vancouverdpac.org/generalannouncements/2020/9/1/september-2020>. The DPAC executive has been working through the summer to survey parents regarding the return to school in June and the school restart in September, inform the VSB of parent questions and concerns, and support PACs in keeping their parent communities informed.

If you are interested in helping track issues and develop content for the public education issues newsletter for the coming year, please contact our Kits PAC representative to DPAC, Alan Patola Moosmann, at apatola@telus.net.
