## Support Our School and Students

We are very grateful for all the work that our schoolteachers, admin and staff have put in as we have made our way through the past year.

As PAC parents we want to also recognize how incredibly challenging this has been for you and your children.

As we come out of this together, many of us also see the silver linings. As a PAC, we are optimistic as are the schoolteachers who are preparing creative projects for the remainder of this school year and into next, to maximize student engagement before and after class time.

Like for many other non-profit entities, PAC donations and funds available to support planned activities for our children, are less available this year. We understand that this may have also been a difficult financial year for many parents, but if you are fortunate enough to still be able to make a donation to PAC, please donate what you can to help Kitsilano spring forward into a prosperous and revitalized year ahead.

If you would like to make a donation, you can use [School Cash Online](#)

- click **Make a Donation** on the Home Page, and
- select **Fund Destination 'S-Kitsilano PAC'**

Once you **Add to Cart** and complete your payment, you will automatically receive a **VSB system generated tax receipt**.

Thank you for generosity of time, money and care; whatever you can afford to give
